Dear Fundraiser

Welcome to Kids Cards.

Do you want to raise money for your school?

Are you a parent, teacher, governor or bursar?

If so, we can offer you an annual opportunity to raise funds to pay for that much needed project at your school.

Kids Cards allows you to do this, whilst also advancing your child's or pupil's creative abilities. An A4 drawing will be professionally scanned and turned into an individual, personally designed card. A brochure is enclosed showing the simple steps to follow. A sample card shows the quality of the finished item.

Earnings Potential

For every pack of 10 cards sold by your school, you earn **£1.00** for the school funds. The more you sell, the higher the income. Involve the whole school and ask parents to sell the concept on to local businesses and other organisations to raise additional funds for you. Homework or school art lessons? The choice is yours, but don't let this fantastic opportunity slip away!

Be Different!

Be different this Christmas, stand out from the crowd. Your children will be delighted to have their own work sent out and admired.
